Ending Mileage: _____ Beginning Mileage: _____ Total Mileage: _____

Grand total of first and second half milages: _____

Instructions

1. In case of ambiguity in the directions follow the route of the road you are on—usually that means to follow the double yellow lines.
2. All answers to questions are easily seen from the drivers and/or passenger's seat, unless you are instructed to leave your vehicle.
3. The questions, clues or answers that are direct quotes will be in single quotation marks (' ').
4. The mileage numbers listed to the left of the directions are total mileage (Mileage) and intermediate mileage (Distance) between direction instructions.
5. Zero your trip odometer now.
