# 2005 MGCCNWC TULIP RALLYE INSTRUCTIONS!

*Are you ready for a GREAT TIME?*

[Remember: Double quotes (" ") indicate a hint, a play on words, or a pun relating to the answer; single quotes ( ' ') indicate a direct quote from the object which is the answer. Make sense to you? Good. Maybe you can explain it to us someday. Just kidding! Good luck, now! Remember: **You have been allowed four hours maximum to complete the rallye and turn-in this score sheet.** Plenty of time, really.

**Please print your answers!**

And yer' off. Wink at the other rallyists still waiting to go. Their instructions will have several pages missing. They didn't stand a chance against you anyway, right?

#### ***FLOWER AREA***

*You should be getting near the tulip fields by now. Traffic could be heavy at times, so be patient. Sadly, many of the flowers have been harvested. Enjoy the scenery. The tulips grown in this area are sold locally as well as across the country. In recent years, we have seen several changes in the type of crops being grown. Blueberry fields are increasing, along with other berry crops. You can spot the blueberry fields by the reddish tone.*

#### ***Deception Pass Bridge***

*This narrow band of water separates the north end of Whidbey Island from Fidalgo Island. The Deception Pass Bridge is a well-known feat of engineering joining Fidalgo and Whidbey islands.*

*The name "Deception Pass" is derived from Captain Vancouver's realization that what he had mistaken for a peninsula was actually an island. The captain named the inlet at which he was anchored to commemorate the error.*

*Rest Rooms on right just after the bridge for those of you needing one. (Glad you had that extra cup of coffee?)*

You made it! Well done. Please turn in your completed form into one of the officials as you pull into the parking lot. Make sure your form is complete as possible including the information about you, your vehicle, club affiliation, etc. at the top of this form, OK? Did you have a Hard Luck story concerning this event? If so, circle here (YES!) Please write your story on the back of this page before you turn in this form. The biggest groaner or tear-jerker will win a prize. Now is a good time to grab a bite or explore the casino. Winners will be announced around 3 p.m. We hope you had fun today. You couldn't possibly blame us if you didn't. These instructions, along with the questions were found in a wrecked alien spacecraft near Roswell, New Mexico in 1947. We bought the whole package on eBay from somebody who used to work at Area 51. So, if you saw some little green men in a strange saucer-like vehicle competing with you in the rally, it may have been a little more than just a coincidence. Hey, if you don't believe us, you're probably too smart for this rally. Thanks again and have a safe trip home. See you next year?
