Left at signal to NE 125th Street (Arterial bends right to become Sand Point Way).

Stay on arterial to Sand Point Way.

Bear left to Mountlake Blvd NE at University Village. (Do not go up the hill on NE 45th Street.)

After crossing the Montlake bridge and crossing over SR 520 turn left at the traffic signal to Lake Washington Blvd and follow the arterial to the stop sign.

Straight at the stop sign and right at the second stop sign (T).

Straight at the traffic signal (East Madison Street) to stay on Lake Washington Blvd and past Bush School and through the twistys down the hill.

Stay on Lake Washington Blvd for approximately two miles.

Bear right to stay on Lake Washington Blvd at Lakeside Ave. Follow Lake Washington Blvd as it wanders about.

Right at stop sign at intersection with Lakeside Ave.

Continue straight on Lake Washington Blvd (southbound).

Bear right Y onto S Orcas St

Left at stop onto Wilson Ave South, becomes Seward Park Ave South.

Left at signal onto Rainier Ave South

Left at signal at south end of airport onto Airport Way.

Follow the double yellow line left to Logan Ave and past the stadium.

Left at traffic signal to Lake Washington Blvd SE (northbound).

Left into Gene Coulon Beach Park. Just after the entrance to the boat ramp left into parking lot. Park your vehicle and take a 10 minute break.

Exit the parking lot to the left (northbound) to the stop sign.

Right and across the RR tracks and left at "T" to Lake Washington Blvd SE.

Straight ahead at stop sign to stay on Lake Washington Blvd.

Left just after crossing the freeway (I-405) to stay on Lake Washington Blvd.

Left at stop onto 112th Ave. SE and immediate right to SE 64th Street.

Left as road bends to become 120th Ave SE (the only way to go).

Right at "T" to SE 60th Street.

Left at blinking signal/stop onto 119th Ave SE.

Bear right at stop sign to stay on 119th Ave SE.

Left at traffic signal to Coal Creek Parkway and under freeway (stay in right lane) and over RR tracks. Coal Creek Parkway bends right to become Lake Washington Blvd SE.

Proceed under I-90.

Left at traffic signal to SE 8th Street.

Left at traffic signal at "T" to 112th Ave SE.

Left at signal to Bellevue Way SE.

Right at signal to 112th Ave SE.

Right at "T" to SE 34th Street.

Left at "T" to 108th Ave SE and immediate right to 106th Ave SE.

Left at "T" to SE 30th Street.
