

2010 FEN Picnic Tour

1. This version of the route bypasses the original end point and stops the tour at the Kitsap Mall.
2. Conventions and abbreviations:

T = Turn	LT = Left	RT = Right
SS = Stop sign	SR = State route	SL = Speed Limit
TEE = a tee intersection	N, E, W, S = North, East, West, South	T/L = Traffic Light
BECOMES = name changes w/o warning <i>[Text in italics is informational only]</i>		
3. Reset your trip counter as you leave the parking lot entrance lane. The data recorded below is for your own information. (This route starts at the Southworth Ferry Terminal.)

End odometer:		End Time:	
Start odometer:		Start Time:	
Total Mileage =		Total time =	

Numbers are approximate distances from last instruction and total distance traveled, left to right respectively. This is a very rural area - be aware you may encounter bicyclists, deer, bear, people, and slow equipment on the road! Some areas are very remote, do not run out of gasoline nor is it a good idea to pass up the restroom stop at the QFC!
