This is a good place to stop momentarily to re-group and get your wits back after this grueling test of your team's skills! Make sure your form is as complete as possible including the information about you, your vehicle, club affiliation (please use the club's full name if not listed), etc. at the top of the first page. End Time will be provided upon check-in.

Did you have a Hard Luck story concerning this event? If so, mark the 'yes' space on the coversheet and write your story on the back of the last page before you turn this in. The biggest groaner or tear-jerker will win bragging rights. Winners will be announced after all of the route instruction sets are scored.

RETURN to rally headquarters at the south end of the mall parking lot between I-5 and Eagle Furniture. Look for the signs and flaggers. You will be directed to a parking spot.

If you are **NOT** staying for the door prize drawing, reading of the answers, and presentation of awards, you can simply leave without parking. We hope you enjoyed the drive and we hope you return next year!

After you have parked, please carry your route book over to the tents where your End Time will be provided. The coversheet will be reviewed for completeness and then handed over to a scorer. The scorer will write your final score in the space provided in the upper right-hand corner of the coversheet. After the awards are presented you may claim your route book if you desire to keep it.

Be sure your door prize ticket was placed in the drawing can - you should only have one red ticket stapled to the coversheet of the general instructions you received when you checked in this morning!

Thanks again and have a safe trip home. See you next year!
